LIVING

Life is that we might live,
Not merely existing, but living.
Life is that we might learn,
For in wisdom is satisfaction.
Life is that we might work,
For work creates responsibility.
Life is that we might do,
For doing is character building.
Life is that we might progress,
For progression is success.

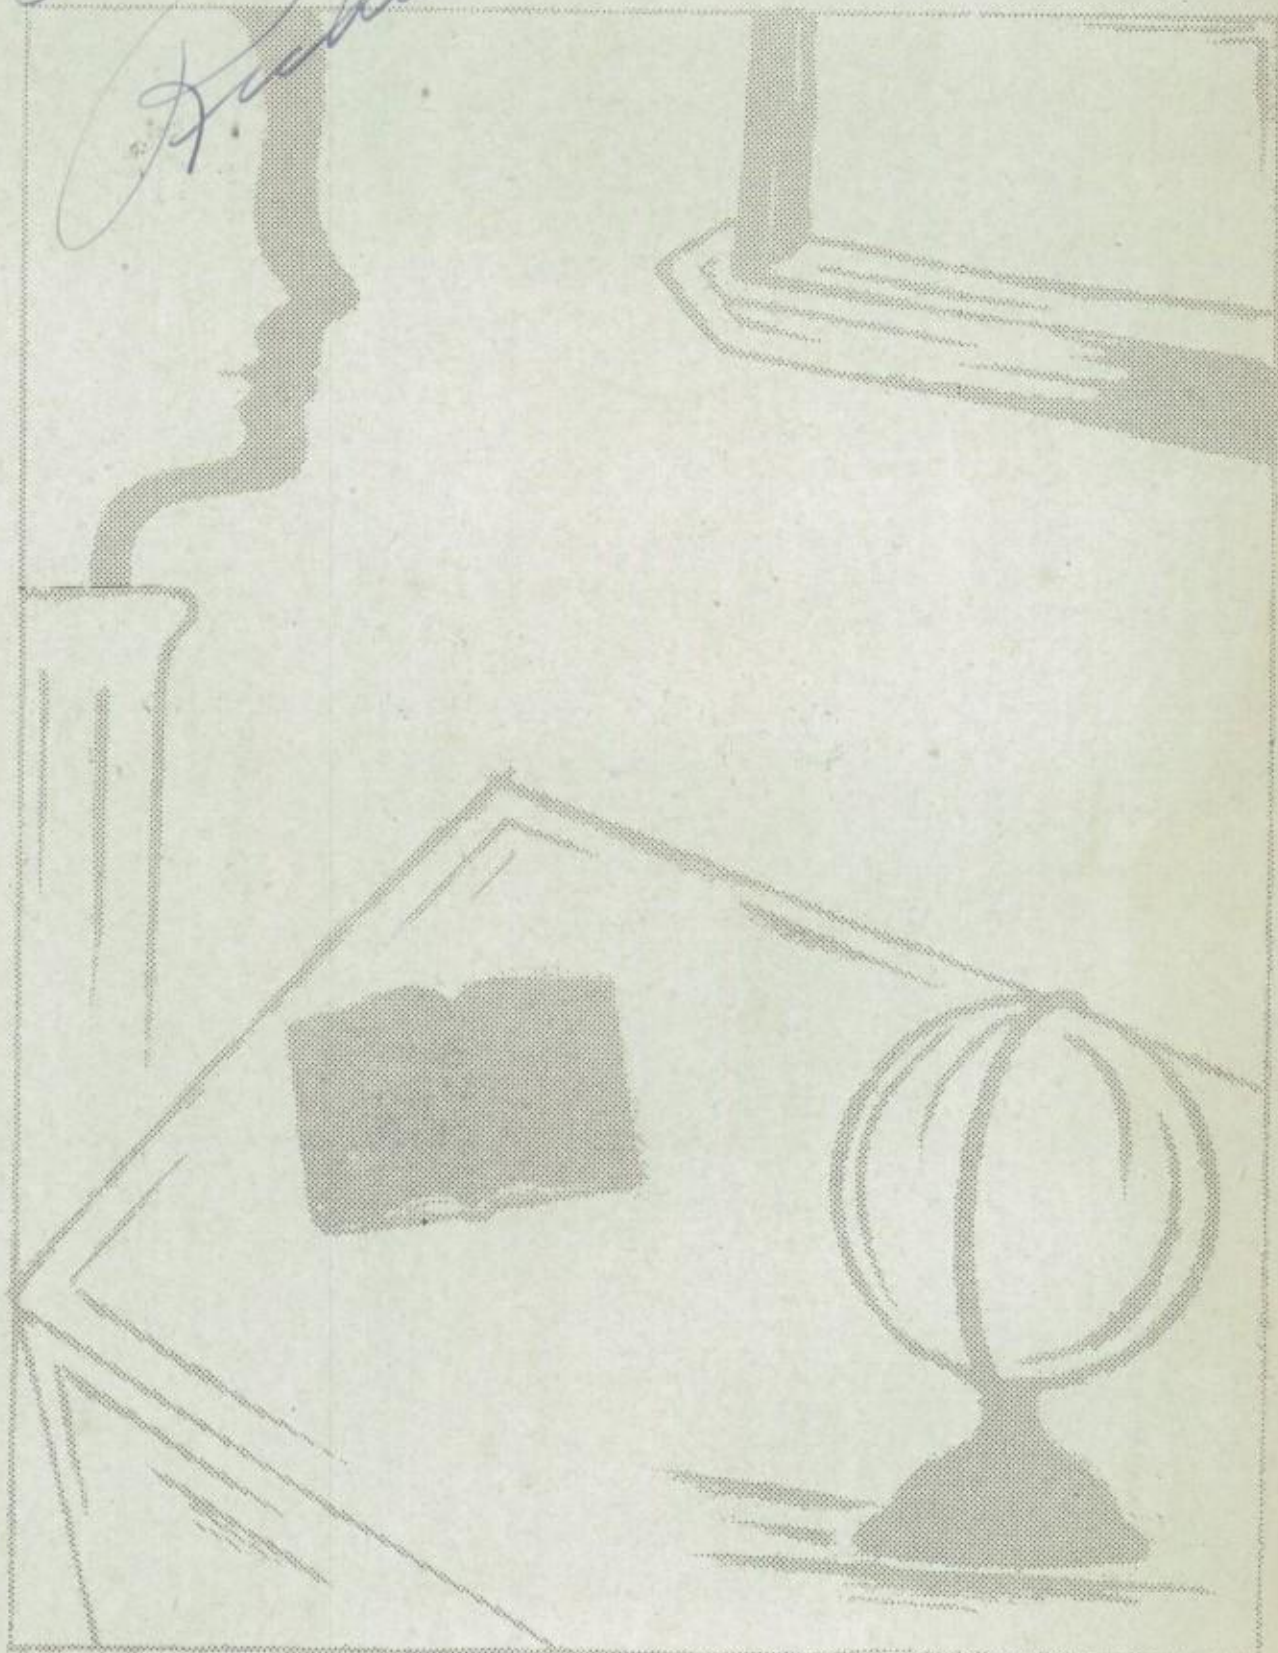

If we will but allow, life sows a field, broad and vast, filled with opportunities that can be reaped without cost. Yes, life holds sorrow and unhappiness as well as joy; but without the contrast, we could never know the true feeling of happiness and inner satisfaction. Living is the feeling of belonging and of being needed, and each upward step on this continuous ladder brings us closer to our ultimate goal.

Our school ideals help us to advance to higher levels of living, sincerely and honestly, each experience playing its part in our advancement. Truly—Living is an Art.

There is lots
of luck to a couple
of swell girls.
Ray Calver.

JESSE M. WALKER
Principal

When we view in retrospect our high school days, among our fondest recollections will be those of Mr. Walker, our principal, and our devoted faculty.

Years from now when we turn the pages of our memory book, we shall find indelibly written on its pages the faces of those who have given us so much help and encouragement.

To these teachers who have always inspired the best that is in us, we give grateful thanks. They will never be forgotten. We shall always marvel at their patience and wisdom. We must prove to them that their efforts have not been in vain.

CLASSES

J.B.

Seniors

SENIORS

The years we seniors have spent in the American Fork High School have been happy, joyous years. Filled with activity, rich in new experiences, they have brought us steadily toward our goal. They hold many memories which we shall never forget.

Proud are we of the achievements of our many talented classmates in such fields as debating, dramatics, music, basketball, and other activities of the school. They have added much to our enjoyment and our growth.

To our school and its standards our class has given its support and its loyalty. Now, as we go out into the broader fields of life, may we and those who follow us extend those loyalties to meet the larger needs and strive always to build lives worthy of our ideals and aspirations.

"Class of '47"

After two years packed with study and activity, the Juniors stand poised on the threshold of their final year and look into the future with anticipation.

Activities of this group have been many: class parties, sweaters and the unforgettable Junior Prom.

To the sophomores of this year we bequeath the happy heritage of the juniors; and to the seniors, whose place we shall try to fill, we wish success in their climb toward higher goals.

How are you both? the kids, thinking of you really brings back good old memories. Did remember Buster's birthday party & our little game. The game we had in our old blue yard. We also had a few games but even got over them. I always admired you beauty. Most of all your skin, hands, & eyes. You also had a very charming way about you. The picture thought so to. Remember elegant wedding in the canyon and all. I have really had some wonderful times with you. of good luck I know, you are the cutest girl with sharp I know. Your long black hair really put you off. I don't not the good old days, I did not know that, I did not know you were married. I never forget your big dark eyes with white hair. I was in Salt Lake. I was there & never saw an elevator girl as the Paris. I know it too. Please write me & all. Write again. Love of Sam to two very wonderful. Love. 742 L. 188

We, the sophomores of 1945-46, feel that we are taking our first big step toward manhood and womanhood and toward conquering the problems of that new phase of our school career.

We have just stepped from a small pair of shoes into a larger pair; and the path we tread, as we continue our two remaining years of high school, will make us ready to take our place in the world outside of our school.

The juniors, seniors, and teachers of American Fork High School, we know, will help us make the final step a successful one.

To these gridiron battlers, a sincere thanks for upholding the Caveman tradition of sportsmanship and fair play during the football season of 1945.

Championship honors were not theirs in this season of play, yet they took victory—or defeat—in their stride. Always they came back with that characteristic hard fighting, never-say-die Cavemen spirit. May it ever live on. You and your playing have been a great asset to our school.

Dramatists . . . comedians . . . character actors . . . all these are developed in the speech club of our campus. This club endeavors to give those interested in dramatic art opportunities to express themselves and to study the works of talented people. The meetings promote sociability, good-fellowship, and an appreciation of the drama.

N. H. S. . . . These three letters stand for the utmost in learning—National Honor Society. This society has four ideals: Service—to their fellow men; Knowledge—their best to improve conditions among their fellow men; Scholarship—to find new ways to improve conditions among their fellow men; Leadership—to help their fellow men along the path to that ultimate goal . . . everlasting peace. Their aim is to do their best to carry out these four ideals, that we might have a better school today and a better world tomorrow.

"Mr. Chairman, Honorable Judge and Friends: We stand firmly resolved that" For the past few years, these boys have been arguing to the best of their ability. All has not been in vain. Against state-wide competition, they have proved to be outstanding speakers in all fields. They wear their emblem as a sign of pride and happiness for the privilege of making the utmost use of one of the four freedoms . . . the freedom of speech.

WAR BOND QUEENS

ANNA MAE MITCHELL

PHYLLIS CLEGHORN

Will you buy a victory bond through the high school for the bond drive? That was the question asked many American Fork citizens as high and junior high students strove to put their classes over the top. Each class was in competition with the others. The class buying the most bonds was allowed to select the bond queens from its membership. The ninth grade purchases far exceeded the goal set and the amount purchased by any other class. The drive was an overwhelming success.

TEAM

First row: Melbourne Whitby, Elmo Murdoch, Dale Steiner, Leo Nelson, Coach. Second row: Fred Robinson, Eugene Steffen, Roland Madsen. Third row: Merlin Shelley, Morris Smith, Kent Durrant, Paul Peters.

In the second successive attempt to gain the Class "B" State Basketball Championship, the Cavemen were denied the honors by a last-minute foul pitch. It is true that A. F. beat Grantsville in non-league play by a sizeable score but when it came to tournament play, something just didn't click.

In spite of the loss of first place, these fellows had plenty of honors: eighteen straight wins, Shelley and Durrant on the All-State first team, a new record for scoring in the tournament—89 points for four games—set by Durrant, in league and tournament play a total score of 538 points, as compared with 339 for their opponents.

They have made a fine record, and we are all proud to be their associates.

"What do you say?" shout the cheer leaders, as they lead us in a rousing cheer for the team. Rolene Chilton, Janice Chilton, Fred Houston and Bob Greenwood gave freely of their time and energy to encourage the players on the football and basketball teams. With the help of these able leaders, the students spurred the teams to victory many times.

We sincerely appreciate the contribution made to our school by the girls of the Pep Club. Their smart uniforms, tricky formations, abundant energy, and unlimited enthusiasm have added color and spirit to our games.

From them we caught a school spirit which united us all in wholesome fun and good fellowship.

Senior Hop Winter Wonderland

On Friday night, Dec. 7, the high school saw its largest and most successful dance ever held in the gymnasium.

The beautifully decorated hall represented a "Winter Wonderland." The metallic dome of white-draped ceiling was artistically lighted. Special lights played over the entire room, creating a delightful picture.

After the hopinade, Lois Boulter and Gene Steffen sang the theme song, "Winter Wonderland."

Our sincere appreciation and thanks go to all who helped in any
way. Their willingness and cooperation made the load lighter. Especially
our thanks to our advisers who made this American possible.

F. F. A. (Future Farmers of America) is a national organization with chapters in every state.

The primary aims of the association are the development of agricultural leadership, cooperation and citizenship. Of the seven hundred boys who have been members of our chapter, three hundred twenty-seven served their country during the past emergency.

Howard Adamson has been awarded the State Farmers Degree, being the twenty-first member to merit this honor.

During the past year chapter members have exhibited at several stock shows, conducted two assemblies, a radio program, and have participated in other activities which upheld the ideals of the national organization.

Members: H. Adamson, E. Bulher, N. Connelly, M. Day, D. Durrant, W. Harris, K. Hunter, M. Huggard, H. Leonhardt, Z. McDaniel, R. Mitchell, J. Peck, H. Reimschiessel, E. Strasburg, W. Smith, D. INQUIRING EDITOR

"Why have the Pyrenees Mountains been in the news this past week?" was one of the questions that came thick and fast at eight excited boys and girls Thursday, February 28, 1946. The occasion was the "Inquiring Editor" program on current events presented from our stage.

The eight excited students were La Belle Boley, Gladys Grant, Anita Harvey, Mary Lou Ruppel, Rhees Ririe, Preston Taylor, Richard Ashby, and Paul Hansen, who had spent the preceding week reading every available newspaper in preparation for the quiz. No one realized until the actual reading was begun, how much effort is needed to absorb the most important facts from a dozen newspapers.

The students were divided into a boys' team and a girls' team. After a half-hour of quick thinking on the part of both groups, the boys won with fifty-eight points, while the girls ran a close second with fifty points.

Transcribed in an assembly period on that day, the program was presented over KDYL on Saturday, March 2, 1946.

This gay comedy, "A Girl, A Guy, and A Gob," proved to have what it takes to be a success in presenting both laughs and dramatic moments when the quickened action held the attention of the audience.

The whole cast and directors, too, will never forget the fun and continual work, for many hours of after-school and night practices were put into the play to put it over.

Congratulations on a swell job completed by the cast and the able director, Mr. Nelson.

Wilkin, Clea Searle, Curtiss Smith, Don Tregaskis, La Grande Terry, Kay Walton, Evan Wride, Mary Lou Ruppel, Arnold Larsen.

What's that awful racket that keeps junior high students from their studies? It's just the band at it again. It has added to the pep and spirit of the school and the town. Composed of sixty-three hard-working members, this organization entertained on several assemblies, displaying musical appreciation hard to equal. It participated in the music festival for region three, April 19, and presented a concert in the Lyceum series at the tabernacle.

Wilkin, Colleen Bennett, June McLane, Mary Ann Yetter, Beverly G. Brooks. Accompanist, Elaine Brown. Director, Kenneth J. Bird.

The Ladies' Glee, through exacting and persistent effort, has developed into an excellent singing organization. The girls show unusual interpretation, tone quality, harmony and rhythm.

We are proud of the accomplishments of the chorus. Their music has brought pleasure and enjoyment to all who have heard them.

MALE GLEE

Members: Howard Adamson, Richard Ashby, Leland Bethers, Adair Bromley, Glen Burgess, Frank Bailey, Galyn Blackburn, Ross Beck, Robert Bennett, Norman Connelly, Vern Christensen, Ralph Christensen, Dee Crandall, Kent Durrant, Robert Drew, Morrell Dean, David Forbes, Frankie Grimmett, Kenneth Hunter, Robert Karren, Luris Lamph, Dean Lewis, James Markham, Elmo Murdoch, Tom Marshall, Dale Nash, Glen Nelson, Ralph Pratt, Glen Pulley, Merlin Shelley, Floyd Terry, Melbourne Whitby, Max Huggard, Dell Wilde, Robert Healey, Clyde Peterson. Kenna White, accompanist. Mr. Bird, adviser.

Nothing is more thrilling than to hear a group of fellows singing beautiful chants of close harmony. The cooperation and fellowship this group gains is a valuable asset to them and they will never know how much their happy singing adds to the lives of others.

SCHOOL CALENDAR

SEPTEMBER 10—Registration day! The climax of a wonderful vacation and a delightful summer. With bright shining faces and the dirt washed from behind our ears, we register for another year.

SEPTEMBER 11—The first day of school. Everyone's ready and raring to go. Today marks the starting point for another year of fun and new experiences.

SEPTEMBER **—Pre-season football games total two—with both victories for A. F.

SEPTEMBER 24—We begin toiling in the fields for a half day.

OCTOBER, THE MONTH OF BROKEN LEGS
List of casualties: Douglas Nicholes, Ronald Smith, Theron Miller and Leon Hartshorn.

OCTOBER 4—Sophomore initiation. Need we say more? None of us will forget this day when the sophomores became full-fledged members of the senior high. They really earned this title, with onions and **all**.

OCTOBER 5—Our first season game with Provo was exciting but disappointing. We lost, 12-7. The sophomore initiation dance after the game helped to lift our spirits and proved to be very successful.

OCTOBER 16—The girls are all organized. (Boys, you'd better watch out!) Officers were elected, with Miss Hansen and Miss Weeks as advisers. The Girls' League sponsored a very enjoyable assembly.

NOVEMBER 24—Thanksgiving and a two-day vacation. Hurrah!

DECEMBER 7—"Winter Wonderland" was the theme of the Senior Hop this year. And it is a theme most of the seniors won't forget. They'll be humming that little song for many a year to come.

DECEMBER 10—A very interesting person visited us today—Salom Rizk. He gave us a very inspirational talk and told of his experiences and travels.

DECEMBER 21 - 23—Christmas Pageant. The Ladies and Male Glee Clubs staged a very beautiful Christmas pageant, which really added to the spirit of Christmas.

DECEMBER 23—Did we really rate this year or were we so trying that the teachers decided to dismiss us so they could rest up? Well, either reason makes no difference as long as we have a vacation.

JANUARY 4—Our first league basketball game indicates that we have the best and the strongest team in the district.

JANUARY 11—Grantsville at A. F. was a good practice game, but the score was a little one-sided. Who would ever have dreamed we would meet these same **Cowboys** at the tournament?

JANUARY 16—Skating party at the lake. After the ice was broken and the party got started, we had a swell time.

JANUARY 18—Pleasant Grove and A. F.—at P. G. Did you ever see sardines in a can? Well, that's the way A. F. spectators looked at the P. G. - A. F. game. But whether we crowded in or not, we won the game.

JANUARY 21—Bombs Away! What an exciting day—or was it? For two little fellows it might have been **fun**, but to the rest of us, it was a serious matter.

JANUARY 27—Lehi Game and Bow Tie Dance. Our first game with our old rivals was quite a bit in our favor. Afterward we put on our dark glasses and went to the "Loud Bow Tie Dance." Mary Peck and Frank Grimmett came up with a couple that just about blinded us. I guess the name "Frankie" and bow ties just naturally go together.

JANUARY 31—The school play, **A Girl, A Guy and A Gob**, was an outstanding event. Hats off to the cast and the director!

FEBRUARY, MONTH OF CUPID
Cupid worked overtime
His marriage list: Jean S. Wilkin, Kathryn S. Proctor, Lois B. Marrott

SCHOOL CALENDAR

FEBRUARY 11—N. H. S. Initiation. After a trying week of bowing and taking orders from a "goat master," ten new initiates were received into the society as full-fledged members.

FEBRUARY 13—Day after the Gold and Green Ball. Everyone moping around school today with his eyes half open. Guess "the day after the night before" always affects us that way.

FEBRUARY 15—P. G. Game and Sweetheart Dance. Another victory over P. G. for the team. Our sweethearts who reigned over the dance were: "Duff" and Dora, Roland and Vernis, and Ross Beck and LaRae Francom.

MARCH 1—Lincoln Game and Beard Growing Contest and Dance. We smeared Lincoln with a score of 59-27. The western dance after, with Levi's and all, ended the beard growing contest. McGee and Seastrand came out on top. P. S. Durrant had three whiskers.

MARCH 1, 2—Weber Speech Tournament—a time where anything can happen and usually does. Such things as getting chaperones stuck between floors, waving articles from fifth story windows—all in all, a wonderful experience.

MARCH 8—Everyone turned out for the Pep Rally before the tournament. The band played, the team was driven around on "Governor" Ririe's car, and a successful dance was held after.

MARCH 13, 14, 15, 16—Big times at the tournament—long faces, sad hearts, big tears, and sad sacks all attended the mourners' assembly after the tournament. Talks, musical numbers, and cheering finally brought back those long lost smiles.

MARCH 18—Invasion of the yo-yos.

MARCH 21, 22—Our representatives at the district speech tournament made a very good showing by taking first and second in extemp. and second in debate. Also placing: play cast, retold stories, and readings

MARCH 27—Last report cards — Some of the brightest mornings can end up with dull-est afternoons.

APRIL 1—April Fool's Day—Just another day of luck and fool play, trying to keep my wits, controlling my fits, while watching my car advancing up the hill assisted by "Put," Morris and Bill. —E. Ray Gardner

APRIL 5—Orchestra Festival. A colorful rendition of orchestra was given by the schools of the district at Lehi.

APRIL 12—Junior Prom. Despite predictions to the contrary, the Junior Prom was held as scheduled. Beautiful decorations, charming girls, and manly fellows made "Dancing on the Moon" an outstanding success.

APRIL 12—State speech tournament.

APRIL 19—Band Festival. The band participated in a regional affair at Springville. Bands, bands and more bands. We are proud of our band and can always say it's absolutely tops.

APRIL 26, 27—Invitational Meet. A. F. was represented in Provo by both girls' and boys' track teams today and a good showing they made. Also, we had the posture parade march this year.

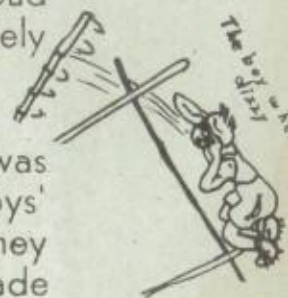

MAY 1—Ladies and Male Glee Festival at Payson.

MAY 3—Girls' Day. Once more the feminine population of the school takes over.

MAY 10—"Senior Sluff Day." This is the day the seniors take a day off and head for the hills. After a very studious year, they've earned a holiday. The rest of the school enjoys one quiet day.

MAY 17—District Meet. We piled into our little old jalopies for the last time this school year to go to Lehi for Alpine Day.

MAY 24—Well, so long, dear old A. F. High, for another year. For some of us it's goodbye, but to more of us it's just so long. We'll all go our ways, never forgetting the many pleasures we've enjoyed this school year of '45-'46.

Dearest Pat, Lillian.

I'm so glad I got to write
in your year book.

I surely enjoyed being your
friend while you were here. I hope
we can get together some day
again. Best Wishes and good
luck to you. Happiness and
success in all that you do.

Love
Sammy.

Dear Marian, and Lillian,
I don't know whether
you remember me or
not, but Hays told me
to write in your year-
book anyway. You're both
grand gals, and have
a winning personality
that is sure to win
you, both, friends. There
is nothing more you
could wish for, than
to come back out here,
because you two have
everything, looks, person-
ality, and every thing
that counts. A friend
Shirley Stevens
P.S. Here's wishing you
success and happiness
and stuff like that
there.

Best of luck to a fellow
debater. I'm excited!

Dear Marian^{and} Lillian,

Hello you two. Long time no see.
See it sure would be swell to see
you kids around here again. Marian
remembers all the swell times
we had together. The years
we dreamed of being cheer
leaders. Then right at the time
of our big chance you take off
and leave us. We really
had alot of fun together. I only
regret that you are not here
so that we could have more
of them.

Well you two just keep those
wonderful personalities that
you have and you'll always
be remembered and loved by
every one as you are by us
kids in American Fork.

Best Luck and success
throughout your future years.

Love
Frank Nielsen

Rese Rued

Dear Marian Ed Lillian

P.S. I have designated it by putting "me" in.

What a turmoil
Everyone wanted to sign your
yearbooks & Dr. nearly crazy
what with mine Tommy's &
yours! Oh me!

Oh kids here it
is another year gone by. We
have sure missed you both &
I guess you'll find that out
as you read each of the auto-
graphs.

Today is Friday & we got out
of school Wed. Our yearbooks were
late getting here & we really had
to rush to get them all signed. I
haven't been able to get every one
but please don't be disappointed - I
did the best I could. I know
everyone would have liked to of
said hello; but it was quite im-
possible. You do understand.?)

I can't think of much else
except that I love you both very
much & wish like everything you
would come back out here.

Why don't you write more often
So Long Yals Love from All

Hello you two old uglies!
 The kids we miss you something awful. The Blue sure
 miss you to. Believe me. Mr. Bird said you were really
 swell singers. Tom to. I know he was very right.
 Well we've had alot of hardships, happiness, fun, etc. wrapped
 up in this school year. Which I wouldn't trade for any thing. I'd sure
 liked to have you're mom & you kid ^{we} for the tournament for our
 yelling squad. I'm sure we wouldn't have lost that last game.
 In fact we missed you in every game there was. They were
 really spicing, some of them. Then there was that last one. That
 was the worst thing that happened to our little school this whole
 year.
 And our Senior Assembly, ge Lillian you'd have loved that.
 It was perfect! Oh there are so many, many memories I
 could recall to you but would take all year. I certainly wish you
 kids just loads of love, luck, happiness & etc. I know if you win
 all the peoples hearts like you did here you won't have any trouble at all.
 Don't know how I got mixed up with Long, Marian but I did. I are wish
 you could have graduated with the kids. I'll be with you. It was really
 thrilling. All mom & the kids. Take care of yourselves. Write a post card at least. We'll
 all miss them. Write a post card at least. We'll
 kill you, you know. (I wish)
 Love
 Bill
